

ALBERT LEE
DEMOCRAT FOR CONGRESS
OREGON DISTRICT 3

LGBTQIA+ RIGHTS

It's time we pass the Equality Act to protect all LGBTQIA+ Americans in the workforce.

BLACK LIVES MATTER

We need to develop restorative and racial justice policies to help right the wrongs of 400 years of oppression.

IMMIGRATION RIGHTS

We have a broken immigration system built on structural and systemic racism. We need to abolish ICE and dismantle immigrant detention centers.

WOMEN'S RIGHTS

We need to protect abortion rights and strengthen our commitment to gender equality, guaranteed paid family leave, repeal SESTA/FOSTA, and decriminalize sex work.

STRENGTHEN AND PROTECT UNIONS

As unions are attacked, so too are workers' rights. We need to enact the PRO Act and strengthen unions to combat the greed of those at the top.

GET MONEY OUT OF POLITICS

I am not accepting any Corporate money. Publicly financed campaigns should be the standard. Money in politics and gerrymandering combine to reduce choice and accountability. We need to ban corporate lobbying.
